Mike, are we still on track to get the cost estimates to be before the weekend?

Subject: updated Des Moines TCE/Dico schedule

Erin:

We should be able to meet the following schedule, assuming no funding gap:

1. Building Demo updated costs: February 9, 2017
2. South Pond updated costs: February 10, 2017
3. Building Demo updated ARARs (I'm not sure if you want to see this before it goes in the

document?): February 10, 2017

4. South Pond updated ARARs (same comment): February 17, 2017
5. Building Demo revised document: February 16, 2017
6. South Pond revised document: February 21, 2017

****We'll need to have confirmation on the two documents before finishing the final report. I'm not sure I can give you a date on that. Assume one to two weeks extra (Early finish Feb. 28 – late finish March 7).**

Thanks,

Mike
